Questions? Contact the Department of Event Management at 312.987.1420.

CLE CREDIT: The John Marshall Law School will advise the appropriate state bar or agency indicated below of the presentation of its program. The extension of CLE credit is subject to each state's approval. It is the responsibility of the individual to meet the requirements of each jurisdiction. The John Marshall Law School is an approved MCLE provider with the State Bars of California, Illinois, Missouri, Pennsylvania, South Carolina, and Wisconsin. The John Marshall Law School will assist with CLE applications to Florida, Georgia, Rhode Island, and Texas, but attorneys must apply individually for credit for courses and submit payment directly in these states.

CLE Credit: Approximately 1.5 hours.

Dan L. Burk

& Biochemistry,
Northwestern University*

*JD, Arizona State
University*

JSM, Stanford Law School

Professor Dan Burk is an internationally prominent authority on the law of intellectual property who specializes in the areas of cyberlaw and biotechnology. He teaches courses in Copyright, Patent, and Electronic Commerce, and is the author of numerous papers on the legal and societal impact of new technologies. His articles include works on scientific misconduct, the regulation of biotechnology, and the intellectual property implications of global computer networks.

Professor Burk joined the law school faculty in the fall of 2000 as professor of law and Vance K. Opperman Research Scholar. During 2001–2002, he held the Julius Davis Chair in Law. He currently holds the Oppenheimer, Wolff & Donnelly Professorship in Law. He has been closely involved in the development of the Joint Degree Program in Law, Health, and the Life Sciences, and was recently named a residential fellow at the University of Minnesota Institute for Advanced Study.
