

Connect to JMLS Wi-Fi: iOS

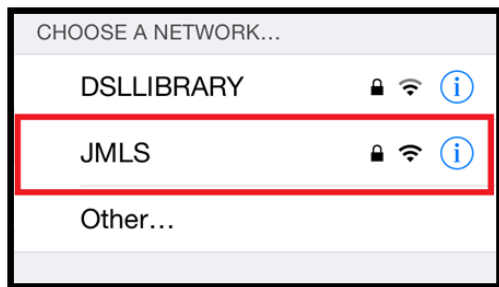

1. Navigate to your **Settings**.

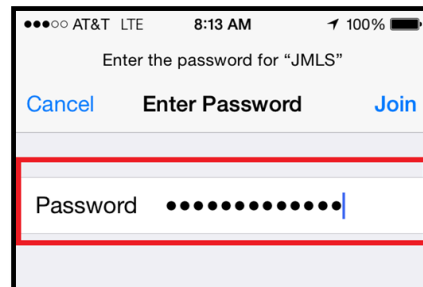

2. Select **Wi-Fi**. Make sure Wi-Fi is turned on.

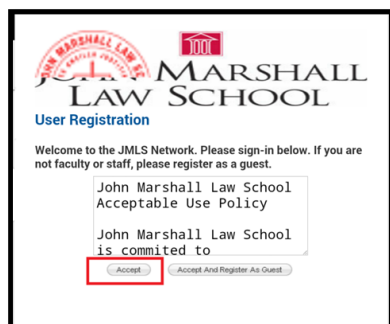

3. Connect to the **JMLS** network.

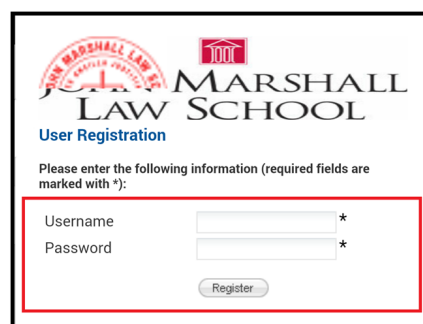

4. When prompted for the password, enter **PracticeReady** (password is case sensitive).

5. Open your mobile web browser (e.g., Safari), which will automatically load the JMLS portal.

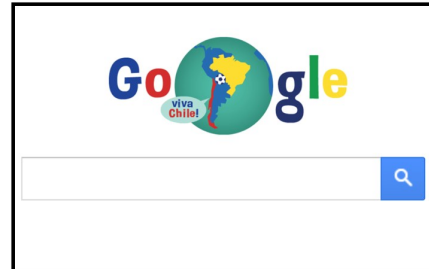

6. After reading the Acceptable Use Policy, click **Accept**, which will prompt you to **log in** (same username and password as eCommons).

7. After you have logged on successfully, you must close your web browser, **wait 60 seconds and then restart.**

8. After restarting your web browser, type in a URL (e.g., google.com) to **make sure it loads.** If it does, you are connected to the internet.

Questions? Contact the **ITS Help Desk** via the Help Desk Portal at helpdesk.jmls.edu, phone 312/427-2737 x550, email helpdesk@jmls.edu, or visit room 733, 7th floor, State Street building (via main elevators or stairs from the 6th floor outside the library).
