

Connect to JMLS Guest Wi-Fi: Windows

If you're a guest of the JMLS community, follow these steps to connect to our guest Wi-Fi network.

Questions? Contact the ITS Help Desk: create a ticket in the Help Desk Portal at helpdesk.jmls.edu, call 312.427.2737 x550, email helpdesk@jmls.edu, or visit room 733, 7th floor (accessible via the main State Street elevators or the stairs from the 6th floor just outside the library). For many **more technology and library how-to guides**, visit www.jmls.edu/library/ltsguides.

1. From the Networks icon in the lower right corner, select **JMLS_Guest**.

2. Enter the password **CommonLaw** when prompted, then click **OK**.

3. Open any web browser and web page. When the Secure Internet Portal Acceptance Use Policy window appears, click **Accept**.

4. When the Login Successful window appears, you are connected to the JMLS_Guest Wi-Fi and can close the window.
